APPENDIX A TO PART 1024—INSTRUCTIONS FOR COMPLETING HUD-1 AND HUD-1A
SETTLEMENT STATEMENTS; SAMPLE HUD-1 AND HUD-1A STATEMENTS

* * * * *

Loan Terms

This section must be completed in accordance with the information and instructions provided by the lender. The lender must provide this information in a format that permits the settlement agent to simply enter the necessary information in the appropriate spaces, without the settlement agent having to refer to the loan documents themselves. For reverse mortgages, the initial monthly amount owed for principal, interest, and any mortgage insurance must read "N/A" and the loan term is disclosed as "N/A" when the loan term is conditioned upon the occurrence of a specified event, such as the death of the borrower or the borrower no longer occupying the property for a certain period of time. Additionally, for reverse mortgages the question "Even if you make payments on time, can your loan balance rise?" must be answered as "Yes" and the maximum amount disclosed as "Unknown."

For reverse mortgages that establish an arrangement for the payment of property taxes, homeowner's insurance, or other recurring charges through draws from the principal limit, the

second box in the "Total monthly amount owed including escrow payments" section must be checked. The blank following the first \$ must be completed with "0" and an asterisk, and all items that will be paid using draws from the principal limit, such as for property taxes, must also be indicated. An asterisk must also be placed in this section with the following statement: "Paid by or through draws from the principal limit." Reverse mortgage transactions are not considered to be balloon transactions for the purposes of the loan terms disclosed on page 3 of the HUD-1.

6. Appendix B to part 1024 is amended by revising paragraph 12 to read as follows:

APPENDIX B TO PART 1024—ILLUSTRATIONS OF REQUIREMENTS OF RESPA

* * * * *

12. Facts. A is a mortgage broker who provides origination services to submit a loan to a lender for approval. The mortgage broker charges the borrower a uniform fee for the total origination services, as well as a direct up-front charge for reimbursement of credit reporting, appraisal services, or similar charges.

Comment. The mortgage broker's fee must be reflected in the Good Faith Estimate and on the HUD-1 Settlement Statement. Other charges which are paid for by the borrower and paid in advance are listed as P.O.C. on the HUD-1 Settlement Statement, and reflect the actual provider charge for such services.

7. In Appendix C to part 1024:

A. The second sentence of the first paragraph following the Appendix heading is amended by capitalizing "Appendix" where it appears.

B. Revise the paragraphs under SPECIFIC INSTRUCTIONS, Summary of your loan.

C. Under the heading SPECIFIC INSTRUCTIONS, *Escrow account information*, the paragraph is amended by adding at the end of the paragraph "For reverse mortgage transactions where the lender will establish an arrangement to pay for such items as property taxes and homeowner's insurance through draws from the principal limit, the loan originator must indicate that an escrow account is included and the amount shown in this section must be disclosed as 'N/A.'".

D. Under the heading SPECIFIC INSTRUCTIONS, *Your Adjusted Origination Charges*, Block 2, *Your credit or charge (points) for the specific interest rate chosen*, paragraph 3 is amended by removing the last sentence "If there is no net payment (*i.e.*, the credit or charge for the specific interest rate chosen is zero), the mortgage broker must insert '0' in Block 2 and may check either the box indicating there is a credit of '0' or the box indicating there is a charge of '0'." and replacing it with "If there is no net payment (*i.e.*, the credit or charge for the specific interest rate chosen is zero), the mortgage broker must insert '0' in Block 2 and may check either the box indicating there is a credit of '0' or the box indicating there is a charge of '0.'".

E. Under the heading SPECIFIC INSTRUCTIONS *Your Adjusted Origination Charges*, Block 7, *Government recording charge*, the first sentence is amended by capitalizing "State" where it appears.

F. Under the heading SPECIFIC INSTRUCTIONS, *Your Adjusted Origination Charges*, Block 8, *Transfer taxes*, the first sentence is amended by capitalizing "State" where it appears.

The revisions read as follows:

APPENDIX C TO PART 1024—Instructions for Completing Good Faith Estimate (GFE) Form

"Summary of your loan."—In this section, for all loans the loan originator must fill in, where indicated:

- (i) The initial loan amount;
- (ii) The loan term; and
- (iii) The initial interest rate.

For reverse mortgage transactions:

- (i) The initial loan amount disclosed on the GFE is the amount of the initial principal limit of the loan;
- (ii) The loan term is disclosed as "N/A" when the loan term is conditioned upon the occurrence of a specified event, such as the death of the borrower or the borrower no longer occupying the property for a certain period of time; and
 - (iii) The initial interest rate is the interest rate indicated on the legal obligation.

The loan originator must fill in the initial monthly amount owed for principal, interest, and any mortgage insurance. The amount shown must be the greater of: (1) The required monthly payment for principal and interest for the first regularly scheduled payment, plus any monthly mortgage insurance payment; or (2) the accrued interest for the first regularly scheduled payment, plus any monthly mortgage insurance payment. For reverse mortgage transactions where there are no regular payment periods, the loan originator must disclose "Not Applicable" or "N/A" for the initial monthly amount owed for principal, interest, and any mortgage insurance.

The loan originator must indicate whether the interest rate can rise, and, if it can, must insert the maximum rate to which it can rise over the life of the loan. The loan originator must also indicate the period of time after which the interest rate can first change.

The loan originator must indicate whether the loan balance can rise even if the borrower makes payments on time, for example in the case of a loan with negative amortization. If it can, the loan originator must insert the maximum amount to which the loan balance can rise over the life of the loan. For Federal, State, local, or tribal housing programs that provide payment assistance, any repayment of such program assistance should be excluded from consideration in completing this item. If the loan balance will increase only because escrow items are being paid through the loan balance, the loan originator is not required to check the box indicating that the loan balance can rise. For reverse mortgage transactions, the loan originator must indicate that the loan balance can rise even if the borrower makes payments on time and the maximum amount to which the loan balance can rise must be disclosed as "Unknown."

The loan originator must indicate whether the monthly amount owed for principal, interest, and any mortgage insurance can rise even if the borrower makes payments on time. If the monthly amount owed can rise even if the borrower makes payments on time, the loan originator must indicate the period of time after which the monthly amount owed can first change, the maximum amount to which the monthly amount owed can rise at the time of the first change, and the maximum amount to which the monthly amount owed can rise over the life of the loan. The amount used for the monthly amount owed must be the greater of: (1) The required monthly payment for principal and interest for that month, plus any monthly mortgage insurance payment; or (2) the accrued interest for that month, plus any monthly mortgage insurance payment. For reverse mortgage transactions, the loan originator must disclose that the monthly amount owed for principal, interest, and any mortgage insurance cannot rise.

The loan originator must indicate whether the loan includes a prepayment penalty, and, if so, the maximum amount that it could be.

The loan originator must indicate whether the loan requires a balloon payment and, if so, the amount of the payment and in how many years it will be due. Reverse mortgage transactions are not considered to be balloon transactions for the purposes of this disclosure on the GFE.

PART 1026—TRUTH IN LENDING (REGULATION Z)

8. The authority citation for part 1026 continues to read as follows:

Authority: 12 U.S.C. 2601, 2603-2605, 2607, 2609, 2617, 5511, 5512, 5532, 5581; 15 U.S.C. 1601 *et seq*.

Subpart A—General

9. Section 1026.1 is amended by revising paragraphs (b), (c)(5), (d)(5), and (e) to read as follows:

§ 1026.1 Authority, purpose, coverage, organization, enforcement, and liability.

* * * * *

(b) *Purpose*. The purpose of this part is to promote the informed use of consumer credit by requiring disclosures about its terms and cost, to ensure that consumers are provided with greater and more timely information on the nature and costs of the residential real estate settlement process, and to effect certain changes in the settlement process for residential real estate that will result in more effective advance disclosure to home buyers and sellers of settlement costs. The regulation also includes substantive protections. It gives consumers the right to cancel certain credit transactions that involve a lien on a consumer's principal dwelling, regulates certain credit card practices, and provides a means for fair and timely resolution of credit billing disputes. The regulation does not generally govern charges for consumer credit, except that several provisions in subpart G set forth special rules addressing certain charges applicable to credit card accounts under an open-end (not home-secured) consumer credit plan.

The regulation requires a maximum interest rate to be stated in variable-rate contracts secured by the consumer's dwelling. It also imposes limitations on home-equity plans that are subject to the requirements of § 1026.40 and mortgages that are subject to the requirements of § 1026.32. The regulation prohibits certain acts or practices in connection with credit secured by a dwelling in § 1026.36, and credit secured by a consumer's principal dwelling in § 1026.35. The regulation also regulates certain practices of creditors who extend private education loans as defined in § 1026.46(b)(5). In addition, it imposes certain limitations on increases in costs for mortgage transactions subject to § 1026.19(e) and (f).

- (c) Coverage. * * *
- (5) Except in transactions subject to § 1026.19(e) and (f), no person is required to provide the disclosures required by sections 128(a)(16) through (19), 128(b)(4), 129C(f)(1), 129C(g)(2) and (3), 129D(h), or 129D(j)(1)(A) of the Truth in Lending Act, section 4(c) of the Real Estate Settlement Procedures Act, or the disclosure required prior to settlement by section 129C(h) of the Truth in Lending Act. Except in transactions subject to § 1026.20(e), no person is required to provide the disclosure required by section 129D(j)(1)(B) of the Truth in Lending Act. Except in transactions subject to § 1026.39(d)(5), no person becoming a creditor with respect to an existing residential mortgage loan is required to provide the disclosure required by section 129C(h) of the Truth in Lending Act.
 - (d) Organization. * * *
- (5) Subpart E contains special rules for mortgage transactions. Section 1026.32 requires certain disclosures and provides limitations for closed-end credit transactions and open-end credit plans that have rates or fees above specified amounts or certain prepayment penalties.

 Section 1026.33 requires special disclosures, including the total annual loan cost rate, for reverse

mortgage transactions. Section 1026.34 prohibits specific acts and practices in connection with high-cost mortgages, as defined in § 1026.32(a). Section 1026.35 prohibits specific acts and practices in connection with closed-end higher-priced mortgage loans, as defined in § 1026.35(a). Section 1026.36 prohibits specific acts and practices in connection with an extension of credit secured by a dwelling. Sections 1026.37 and 1026.38 set forth special disclosure requirements for certain closed-end transactions secured by real property, as required by § 1026.19(e) and (f).

* * * * *

- (e) Enforcement and liability. Section 108 of the Truth in Lending Act contains the administrative enforcement provisions for that Act. Sections 112, 113, 130, 131, and 134 contain provisions relating to liability for failure to comply with the requirements of the Truth in Lending Act and the regulation. Section 1204(c) of title XII of the Competitive Equality Banking Act of 1987, Pub. L. 100-86, 101 Stat. 552, incorporates by reference administrative enforcement and civil liability provisions of sections 108 and 130 of the Truth in Lending Act. Section 19 of the Real Estate Settlement Procedures Act contains the administrative enforcement provisions for that Act.
- 10. Section 1026.2 is amended by revising paragraphs (a)(3), (a)(6), and (a)(25) to read as follows:

* * * * *

(25) Security interest means an interest in property that secures performance of a consumer credit obligation and that is recognized by State or Federal law. It does not include incidental interests such as interests in proceeds, accessions, additions, fixtures, insurance proceeds (whether or not the creditor is a loss payee or beneficiary), premium rebates, or interests in after-acquired property. For purposes of disclosures under §§ 1026.6, 1026.18, 1026.19(e) and (f), and 1026.38(l)(6), the term does not include an interest that arises solely by operation of law. However, for purposes of the right of rescission under §§ 1026.15 and 1026.23, the term does include interests that arise solely by operation of law.

11. Section 1026.3 is amended by revising the introductory text and adding new paragraph (h) to read as follows:

The creditor shall provide this written list of settlement service providers separately from the disclosures required by paragraph (e)(1)(i) of this section but in accordance with the timing requirements in paragraph (e)(1)(iii) of this section.

- (2) Predisclosure activity. (i) Imposition of fees on consumer. (A) Fee restriction. Except as provided in paragraph (e)(2)(i)(B) of this section, neither a creditor nor any other person may impose a fee on a consumer in connection with the consumer's application for a mortgage transaction subject to paragraph (e)(1)(i) of this section before the consumer has received the disclosures required under paragraph (e)(1)(i) of this section and indicated to the creditor an intent to proceed with the transaction described by those disclosures. A consumer may indicate an intent to proceed with a transaction in any manner the consumer chooses, unless a particular manner of communication is required by the creditor. The creditor must document this communication to satisfy the requirements of § 1026.25.
- (B) Exception to fee restriction. A creditor or other person may impose a bona fide and reasonable fee for obtaining the consumer's credit report before the consumer has received the disclosures required under paragraph (e)(1)(i) of this section.
- (ii) Written information provided to consumer. If a creditor or other person provides a consumer with a written estimate of terms or costs specific to that consumer before the consumer receives the disclosures required under paragraph (e)(1)(i) of this section, the creditor or such person shall clearly and conspicuously state at the top of the front of the first page of the estimate in a font size that is no smaller than 12-point font: "Your actual rate, payment, and costs could be higher. Get an official Loan Estimate before choosing a loan." The written estimate of terms or costs may not be made with headings, content, and format substantially similar to form H-24 or H-25 of appendix H to this part.
- (iii) *Verification of information*. The creditor or other person shall not require a consumer to submit documents verifying information related to the consumer's application before providing the disclosures required by paragraph (e)(1)(i) of this section.

- (3) Good faith determination for estimates of closing costs. (i) General rule. An estimated closing cost disclosed pursuant to paragraph (e) of this section is in good faith if the charge paid by or imposed on the consumer does not exceed the amount originally disclosed under paragraph (e)(1)(i) of this section, except as otherwise provided in paragraphs (e)(3)(ii) through (iv) of this section.
- (ii) *Limited increases permitted for certain charges*. An estimate of a charge for a third-party service or a recording fee is in good faith if:
- (A) The aggregate amount of charges for third-party services and recording fees paid by or imposed on the consumer does not exceed the aggregate amount of such charges disclosed under paragraph (e)(1)(i) of this section by more than 10 percent;
- (B) The charge for the third-party service is not paid to the creditor or an affiliate of the creditor; and
- (C) The creditor permits the consumer to shop for the third-party service, consistent with paragraph (e)(1)(vi) of this section.
- (iii) Variations permitted for certain charges. An estimate of the following charges is in good faith if it is consistent with the best information reasonably available to the creditor at the time it is disclosed, regardless of whether the amount paid by the consumer exceeds the amount disclosed under paragraph (e)(1)(i) of this section:
 - (A) Prepaid interest;
 - (B) Property insurance premiums;
 - (C) Amounts placed into an escrow, impound, reserve, or similar account;
- (D) Charges paid to third-party service providers selected by the consumer consistent with paragraph (e)(1)(vi)(A) of this section that are not on the list provided pursuant to paragraph

- (e)(1)(vi)(C) of this section; and
- (E) Charges paid for third-party services not required by the creditor. These charges may be paid to affiliates of the creditor.
- (iv) *Revised estimates*. For the purpose of determining good faith under paragraph (e)(3)(i) and (ii) of this section, a creditor may use a revised estimate of a charge instead of the estimate of the charge originally disclosed under paragraph (e)(1)(i) of this section if the revision is due to any of the following reasons:
- (A) Changed circumstance affecting settlement charges. Changed circumstances cause the estimated charges to increase or, in the case of estimated charges identified in paragraph (e)(3)(ii) of this section, cause the aggregate amount of such charges to increase by more than 10 percent. For purposes of this paragraph, "changed circumstance" means:
- (1) An extraordinary event beyond the control of any interested party or other unexpected event specific to the consumer or transaction;
- (2) Information specific to the consumer or transaction that the creditor relied upon when providing the disclosures required under paragraph (e)(1)(i) of this section and that was inaccurate or changed after the disclosures were provided; or
- (3) New information specific to the consumer or transaction that the creditor did not rely on when providing the original disclosures required under paragraph (e)(1)(i) of this section.
- (B) Changed circumstance affecting eligibility. The consumer is ineligible for an estimated charge previously disclosed because a changed circumstance, as defined under paragraph (e)(3)(iv)(A) of this section, affected the consumer's creditworthiness or the value of the security for the loan.
 - (C) Revisions requested by the consumer. The consumer requests revisions to the credit

terms or the settlement that cause an estimated charge to increase.

- (D) *Interest rate dependent charges*. The points or lender credits change because the interest rate was not locked when the disclosures required under paragraph (e)(1)(i) of this section were provided. On the date the interest rate is locked, the creditor shall provide a revised version of the disclosures required under paragraph (e)(1)(i) of this section to the consumer with the revised interest rate, the points disclosed pursuant to § 1026.37(f)(1), lender credits, and any other interest rate dependent charges and terms.
- (E) *Expiration*. The consumer indicates an intent to proceed with the transaction more than ten business days after the disclosures required under paragraph (e)(1)(i) of this section are provided pursuant to paragraph (e)(1)(iii) of this section.
- (F) Delayed settlement date on a construction loan. In transactions involving new construction, where the creditor reasonably expects that settlement will occur more than 60 days after the disclosures required under paragraph (e)(1)(i) of this section are provided pursuant to paragraph (e)(1)(iii) of this section, the creditor may provide revised disclosures to the consumer if the original disclosures required under paragraph (e)(1)(i) of this section state clearly and conspicuously that at any time prior to 60 days before consummation, the creditor may issue revised disclosures. If no such statement is provided, the creditor may not issue revised disclosures, except as otherwise provided in paragraph (f) of this section.
- (4) Provision and receipt of revised disclosures. (i) General rule. Subject to the requirements of paragraph (e)(4)(ii) of this section, if a creditor uses a revised estimate pursuant to paragraph (e)(3)(iv) of this section for the purpose of determining good faith under paragraphs (e)(3)(i) and (ii) of this section, the creditor shall provide a revised version of the disclosures required under paragraph (e)(1)(i) of this section reflecting the revised estimate within three

business days of receiving information sufficient to establish that one of the reasons for revision provided under paragraphs (e)(3)(iv)(A) through (C), (E) and (F) of this section applies.

- (ii) Relationship to disclosures required under § 1026.19(f)(1)(i). The creditor shall not provide a revised version of the disclosures required under paragraph (e)(1)(i) of this section on or after the date on which the creditor provides the disclosures required under paragraph (f)(1)(i) of this section. The consumer must receive a revised version of the disclosures required under paragraph (e)(1)(i) of this section not later than four business days prior to consummation. If the revised version of the disclosures required under paragraph (e)(1)(i) of this section is not provided to the consumer in person, the consumer is considered to have received such version three business days after the creditor delivers or places such version in the mail.
- (f) Mortgage loans secured by real property—final disclosures. (1) Provision of disclosures. (i) Scope. In a closed-end consumer credit transaction secured by real property, other than a reverse mortgage subject to § 1026.33, the creditor shall provide the consumer with the disclosures in § 1026.38 reflecting the actual terms of the transaction.
- (ii) *Timing*. (A) *In general*. Except as provided in paragraphs (f)(1)(ii)(B), (f)(2)(i), (f)(2)(iii), (f)(2)(iv), and (f)(2)(v) of this section, the creditor shall ensure that the consumer receives the disclosures required under paragraph (f)(1)(i) of this section no later than three business days before consummation.
- (B) *Timeshares*. For transactions secured by a consumer's interest in a timeshare plan described in 11 U.S.C. 101(53D), the creditor shall ensure that the consumer receives the disclosures required under paragraph (f)(1)(i) of this section no later than consummation.
- (iii) *Receipt of disclosures*. If any disclosures required under paragraph (f)(1)(i) of this section are not provided to the consumer in person, the consumer is considered to have received

the disclosures three business days after they are delivered or placed in the mail.

- (iv) Consumer's waiver of waiting period before consummation. If the consumer determines that the extension of credit is needed to meet a bona fide personal financial emergency, the consumer may modify or waive the three-business-day waiting period under paragraph (f)(1)(ii)(A) or (f)(2)(ii) of this section, after receiving the disclosures required under paragraph (f)(1)(i) of this section. To modify or waive the waiting period, the consumer shall give the creditor a dated written statement that describes the emergency, specifically modifies or waives the waiting period, and bears the signature of all consumers who are primarily liable on the legal obligation. Printed forms for this purpose are prohibited.
- (v) *Settlement agent*. A settlement agent may provide a consumer with the disclosures required under paragraph (f)(1)(i) of this section, provided the settlement agent complies with all relevant requirements of this paragraph (f). The creditor shall ensure that such disclosures are provided in accordance with all requirements of this paragraph (f). Disclosures provided by a settlement agent in accordance with the requirements of this paragraph (f) satisfy the creditor's obligation under this paragraph (f).
- (2) Subsequent changes. (i) Changes before consummation not requiring a new waiting period. Except as provided in paragraph (f)(2)(ii), if the disclosures provided under paragraph (f)(1)(i) of this section become inaccurate before consummation, the creditor shall provide corrected disclosures reflecting any changed terms to the consumer so that the consumer receives the corrected disclosures at or before consummation. Notwithstanding the requirement to provide corrected disclosures at or before consummation, the creditor shall permit the consumer to inspect the disclosures provided under this paragraph, completed to set forth those items that are known to the creditor at the time of inspection, during the business day immediately

preceding consummation, but the creditor may omit from inspection items related only to the seller's transaction.

- (ii) Changes before consummation requiring a new waiting period. If one of the following disclosures provided under paragraph (f)(1)(i) of this section becomes inaccurate in the following manner before consummation, the creditor shall ensure that the consumer receives corrected disclosures containing all changed terms in accordance with the requirements of paragraph (f)(1)(ii)(A) of this section:
- (A) The annual percentage rate disclosed under § 1026.38(o)(4) becomes inaccurate, as defined in § 1026.22.
- (B) The loan product is changed, causing the information disclosed under § 1026.38(a)(5)(iii) to become inaccurate.
- (C) A prepayment penalty is added, causing the statement regarding a prepayment penalty required under § 1026.38(b) to become inaccurate.
- (iii) Changes due to events occurring after consummation. If during the 30-day period following consummation, an event in connection with the settlement of the transaction occurs that causes the disclosures required under paragraph (f)(1)(i) of this section to become inaccurate, and such inaccuracy results in a change to an amount actually paid by the consumer from that amount disclosed under paragraph (f)(1)(i) of this section, the creditor shall deliver or place in the mail corrected disclosures not later than 30 days after receiving information sufficient to establish that such event has occurred.
- (iv) Changes due to clerical errors. A creditor does not violate paragraph (f)(1)(i) of this section if the disclosures provided under paragraph (f)(1)(i) contain non-numeric clerical errors, provided the creditor delivers or places in the mail corrected disclosures no later than 60 days

after consummation.

- (v) Refunds related to the good faith analysis. If amounts paid by the consumer exceed the amounts specified under paragraph (e)(3)(i) or (ii) of this section, the creditor complies with paragraph (e)(1)(i) of this section if the creditor refunds the excess to the consumer no later than 60 days after consummation, and the creditor complies with paragraph (f)(1)(i) of this section if the creditor delivers or places in the mail corrected disclosures that reflect such refund no later than 60 days after consummation.
- (3) *Charges disclosed*. (i) *Actual charge*. The amount imposed upon the consumer for any settlement service shall not exceed the amount actually received by the settlement service provider for that service, except as otherwise provided in paragraph (f)(3)(ii) of this section.
- (ii) *Average charge*. A creditor or settlement service provider may charge a consumer or seller the average charge for a settlement service if the following conditions are satisfied:
- (A) The average charge is no more than the average amount paid for that service by or on behalf of all consumers and sellers for a class of transactions;
- (B) The creditor or settlement service provider defines the class of transactions based on an appropriate period of time, geographic area, and type of loan;
- (C) The creditor or settlement service provider uses the same average charge for every transaction within the defined class; and
 - (D) The creditor or settlement service provider does not use an average charge:
 - (1) For any type of insurance;
 - (2) For any charge based on the loan amount or property value; or
 - (3) If doing so is otherwise prohibited by law.
 - (4) Transactions involving a seller. (i) Provision to seller. In a closed-end consumer

credit transaction secured by real property that involves a seller, other than a reverse mortgage subject to § 1026.33, the settlement agent shall provide the seller with the disclosures in § 1026.38 that relate to the seller's transaction reflecting the actual terms of the seller's transaction.

- (ii) *Timing*. The settlement agent shall provide the disclosures required under paragraph (f)(4)(i) of this section no later than the day of consummation. If during the 30-day period following consummation, an event in connection with the settlement of the transaction occurs that causes disclosures required under paragraph (f)(4)(i) of this section to become inaccurate, and such inaccuracy results in a change to the amount actually paid by the seller from that amount disclosed under paragraph (f)(4)(i) of this section, the settlement agent shall deliver or place in the mail corrected disclosures not later than 30 days after receiving information sufficient to establish that such event has occurred.
- (iii) *Charges disclosed*. The amount imposed on the seller for any settlement service shall not exceed the amount actually received by the service provider for that service, except as otherwise provided in paragraph (f)(3)(ii) of this section.
- (iv) *Creditor's copy*. When the consumer's and seller's disclosures under this paragraph (f) are provided on separate documents, as permitted under § 1026.38(t)(5), the settlement agent shall provide to the creditor (if the creditor is not the settlement agent) a copy of the disclosures provided to the seller under paragraph (f)(4)(i) of this section.
- (5) *No fee*. No fee may be imposed on any person, as a part of settlement costs or otherwise, by a creditor or by a servicer (as that term is defined under 12 U.S.C. 2605(i)(2)) for the preparation or delivery of the disclosures required under paragraph (f)(1)(i) of this section.
 - (g) Special information booklet at time of application. (1) Creditor to provide special

information booklet. Except as provided in paragraphs (g)(1)(ii) and (iii) of this section, the creditor shall provide a copy of the special information booklet (required pursuant to section 5 of the Real Estate Settlement Procedures Act (12 U.S.C. 2604) to help consumers applying for federally related mortgage loans understand the nature and cost of real estate settlement services) to a consumer who applies for a consumer credit transaction secured by real property.

- (i) The creditor shall deliver or place in the mail the special information booklet not later than three business days after the consumer's application is received. However, if the creditor denies the consumer's application before the end of the three-business-day period, the creditor need not provide the booklet. If a consumer uses a mortgage broker, the mortgage broker shall provide the special information booklet and the creditor need not do so.
- (ii) In the case of a home equity line of credit subject to § 1026.40, a creditor or mortgage broker that provides the consumer with a copy of the brochure entitled "When Your Home is On the Line: What You Should Know About Home Equity Lines of Credit," or any successor brochure issued by the Bureau, is deemed to be in compliance with this section.
- (iii) The creditor or mortgage broker need not provide the booklet to the consumer for a consumer credit transaction secured by real property, the purpose of which is not the purchase of a one-to-four family residential property, including, but not limited to, the following:
 - (A) Refinancing transactions;
 - (B) Closed-end loans secured by a subordinate lien; and
 - (C) Reverse mortgages.
- (2) *Permissible changes*. Creditors may not make changes to, deletions from, or additions to the special information booklet other than the changes specified in paragraphs (g)(2)(i) through (iv) of this section.

- (i) In the "Complaints" section of the booklet, "the Bureau of Consumer Financial Protection" may be substituted for "HUD's Office of RESPA" and "the RESPA office."
- (ii) In the "Avoiding Foreclosure" section of the booklet, it is permissible to inform homeowners that they may find information on and assistance in avoiding foreclosures at http://www.consumerfinance.gov. The reference to the HUD Web site, http://www.hud.gov/foreclosure/, in the "Avoiding Foreclosure" section of the booklet shall not be deleted.
- (iii) In the "No Discrimination" section of the appendix to the booklet, "the Bureau of Consumer Financial Protection" may be substituted for the reference to the "Board of Governors of the Federal Reserve System." In the Contact Information section of the appendix to the booklet, the following contact information for the Bureau may be added: "Bureau of Consumer Financial Protection, 1700 G Street NW, Washington, DC 20552; www.consumerfinance.gov/learnmore." The contact information for HUD's Office of RESPA and Interstate Land Sales may be removed from the "Contact Information" section of the appendix to the booklet.
- (iv) The cover of the booklet may be in any form and may contain any drawings, pictures or artwork, provided that the title appearing on the cover shall not be changed. Names, addresses, and telephone numbers of the creditor or others and similar information may appear on the cover, but no discussion of the matters covered in the booklet shall appear on the cover. References to HUD on the cover of the booklet may be changed to references to the Bureau.
 - 15. Section 1026.20 is amended by adding paragraph (e):

§ 1026.20 Disclosure requirements regarding post-consummation events.

- (e) Escrow account cancellation notice for certain mortgage transactions.
- (1) *Scope*. In a closed-end consumer credit transaction secured by a first lien on real property or a dwelling, other than a reverse mortgage subject to § 1026.33, for which an escrow account was established in connection with the transaction and will be cancelled, the creditor or servicer shall disclose the information specified in paragraph (e)(2) of this section in accordance with the form requirements in paragraph (e)(4) of this section, and the timing requirements in paragraph (e)(5) of this section. For purposes of this paragraph (e), the term "escrow account" has the same meaning as under 12 CFR 1024.17(b), and the term "servicer" has the same meaning as under 12 CFR 1024.2(b).
- (2) Content requirements. If an escrow account was established in connection with a transaction subject to this paragraph (e) and the escrow account will be cancelled, the creditor or servicer shall clearly and conspicuously disclose, under the heading "Escrow Closing Notice," the following information:
- (i) A statement informing the consumer of the date on which the consumer will no longer have an escrow account; a statement that an escrow account may also be called an impound or trust account; a statement of the reason why the escrow account will be closed; a statement that without an escrow account, the consumer must pay all property costs, such as taxes and homeowner's insurance, directly, possibly in one or two large payments a year; and a table, titled "Cost to you," that contains an itemization of the amount of any fee the creditor or servicer imposes on the consumer in connection with the closure of the consumer's escrow account, labeled "Escrow Closing Fee," and a statement that the fee is for closing the escrow account.
 - (ii) Under the reference "In the future":
 - (A) A statement of the consequences if the consumer fails to pay property costs,

including the actions that a State or local government may take if property taxes are not paid and the actions the creditor or servicer may take if the consumer does not pay some or all property costs, such as adding amounts to the loan balance, adding an escrow account to the loan, or purchasing a property insurance policy on the consumer's behalf that may be more expensive and provide fewer benefits than a policy that the consumer could obtain directly;

- (B) A statement with a telephone number that the consumer can use to request additional information about the cancellation of the escrow account;
- (C) A statement of whether the creditor or servicer offers the option of keeping the escrow account open and, as applicable, a telephone number the consumer can use to request that the account be kept open; and
- (D) A statement of whether there is a cut-off date by which the consumer can request that the account be kept open.
- (3) Optional information. The creditor or servicer may, at its option, include its name or logo, the consumer's name, phone number, mailing address and property address, the issue date of the notice, the loan number, or the consumer's account number on the notice required by this paragraph (e). Except for the name and logo of the creditor or servicer, the information described in this paragraph may be placed between the heading required by paragraph (e)(2) of this section and the disclosures required by paragraphs (e)(2)(i) and (ii) of this section. The name and logo may be placed above the heading required by paragraph (e)(2) of this section.
- (4) Form of disclosures. The disclosures required by paragraph (e)(2) of this section shall be provided in a minimum 10-point font, grouped together on the front side of a one-page document, separate from all other materials, with the headings, content, order, and format substantially similar to model form H-29 in appendix H to this part. The disclosure of the

heading required by paragraph (e)(2) of this section shall be more conspicuous than, and shall precede, the other disclosures required by paragraph (e)(2) of this section.

- (5) *Timing*. (i) *Cancellation upon consumer's request*. If the creditor or servicer cancels the escrow account at the consumer's request, the creditor or servicer shall ensure that the consumer receives the disclosures required by paragraph (e)(2) of this section no later than three business days before the closure of the consumer's escrow account.
- (ii) Cancellations other than upon the consumer's request. If the creditor or servicer cancels the escrow account and the cancellation is not at the consumer's request, the creditor or servicer shall ensure that the consumer receives the disclosures required by paragraph (e)(2) of this section no later than 30 business days before the closure of the consumer's escrow account.
- (iii) *Receipt of disclosure*. If the disclosures required by paragraph (e)(2) of this section are not provided to the consumer in person, the consumer is considered to have received the disclosures three business days after they are delivered or placed in the mail.
- 16. Section 1026.22 is amended by revising paragraphs (a)(4)(ii)(A) and (a)(5) to read as follows:

§ 1026.22 Determination of annual percentage rate.

- (a) Accuracy of annual percentage rate. * * *
- (4) *Mortgage loans*. If the annual percentage rate disclosed in a transaction secured by real property or a dwelling varies from the actual rate determined in accordance with paragraph (a)(1) of this section, in addition to the tolerances applicable under paragraphs (a)(2) and (3) of this section, the disclosed annual percentage rate shall also be considered accurate if:
 - (i) The rate results from the disclosed finance charge; and
 - (ii) (A) The disclosed finance charge would be considered accurate under § 1026.18(d)(1)

or § 1026.38(o)(2), as applicable; or

- (B) For purposes of rescission, if the disclosed finance charge would be considered accurate under § 1026.23(g) or (h), whichever applies.
- (5) Additional tolerance for mortgage loans. In a transaction secured by real property or a dwelling, in addition to the tolerances applicable under paragraphs (a)(2) and (3) of this section, if the disclosed finance charge is calculated incorrectly but is considered accurate under § 1026.18(d)(1) or § 1026.38(o)(2), as applicable, or § 1026.23(g) or (h), the disclosed annual percentage rate shall be considered accurate:

Subpart D—Miscellaneous

17. Section 1026.25 is amended by revising paragraph (a) and adding new paragraph (c) to read as follows:

§ 1026.25 Record retention.

(a) General rule. A creditor shall retain evidence of compliance with this part (other than advertising requirements under §§ 1026.16 and 1026.24, and other than the requirements under § 1026.19(e) and (f)) for two years after the date disclosures are required to be made or action is required to be taken. The administrative agencies responsible for enforcing the regulation may require creditors under their jurisdictions to retain records for a longer period if necessary to carry out their enforcement responsibilities under section 108 of the Act.

* * * * *

(c) Records related to certain requirements for mortgage loans. (1) Records related to requirements for loans secured by real property. (i) General rule. Except as provided under paragraph (c)(1)(ii) of this section, a creditor shall retain evidence of compliance with the

requirements of § 1026.19(e) and (f) for three years after the later of the date of consummation, the date disclosures are required to be made, or the date the action is required to be taken.

- (ii) *Closing disclosures*. (A) A creditor shall retain each completed disclosure required under § 1026.19(f)(1)(i) or (f)(4)(i), and all documents related to such disclosures, for five years after consummation, notwithstanding paragraph (ii)(B) of this section.
- (B) If a creditor sells, transfers, or otherwise disposes of its interest in a mortgage loan subject to § 1026.19(f) and does not service the mortgage loan, the creditor shall provide a copy of the disclosures required under § 1026.19(f)(1)(i) or (f)(4)(i) to the owner or servicer of the mortgage as a part of the transfer of the loan file. Such owner or servicer shall retain such disclosures for the remainder of the five-year period described under paragraph (c)(1)(ii)(A) of this section.
- (C) The Bureau shall have the right to require provision of copies of records related to the disclosures required under $\S 1026.19(f)(1)(i)$ and (f)(4)(i).

- 18. Section 1026.28 is amended by revising paragraph (a)(1) to read as follows: § 1026.28 Effect on State laws.
- (a) Inconsistent disclosure requirements. (1) Except as provided in paragraph (d) of this section, State law requirements that are inconsistent with the requirements contained in chapter 1 (General Provisions), chapter 2 (Credit Transactions), or chapter 3 (Credit Advertising) of the Act and the implementing provisions of this part are preempted to the extent of the inconsistency. A State law is inconsistent if it requires a creditor to make disclosures or take actions that contradict the requirements of the Federal law. A State law is contradictory if it requires the use of the same term to represent a different amount or a different meaning than the

Federal law, or if it requires the use of a term different from that required in the Federal law to describe the same item. A creditor, State, or other interested party may request the Bureau to determine whether a State law requirement is inconsistent. After the Bureau determines that a State law is inconsistent, a creditor may not make disclosures using the inconsistent term or form. A determination as to whether a State law is inconsistent with the requirements of sections 4 and 5 of RESPA (other than the RESPA section 5(c) requirements regarding provision of a list of certified homeownership counselors) and §§ 1026.19(e) and (f), 1026.37, and 1026.38 shall be made in accordance with this section and not 12 CFR 1024.13.

- (ii) For any other transaction subject to this section, the disclosures must be made with headings, content, and format substantially similar to form H-25, set forth in appendix H to this

part.

- (iii) The disclosures required by this section may be provided to the consumer in electronic form, subject to compliance with the consumer consent and other applicable provisions of the Electronic Signatures in Global and National Commerce Act (15 U.S.C. 7001 *et seq.*).
- (4) *Rounding*. (i) *Nearest dollar*. The following dollar amounts are required to be rounded to the nearest whole dollar:

 - (D) The dollar amounts required to be disclosed by paragraph (m) of this section; and
- (E) The dollar amounts required to be disclosed by paragraph (c) of this section that are required to be rounded by § 1026.37(o)(4)(i)(C) when disclosed under § 1026.37(c)(2)(iv).

- (5) *Exceptions*. (i) *Unit-period*. Wherever the form or this section uses "monthly" to describe the frequency of any payments or uses "month" to describe the applicable unit-period, the creditor shall substitute the appropriate term to reflect the fact that the transaction's terms provide for other than monthly periodic payments, such as bi-weekly or quarterly payments.
- (ii) *Lender credits*. The amount required to be disclosed by paragraph (d)(1)(i)(D) of this section may be omitted from the form if the amount is zero.
- (iii) *Administrative information*. The creditor may insert at the bottom of each page under the disclosures required by this section as illustrated by form H-25 of appendix H to this part, any administrative information, text, or codes that assist in identification of the form or the information disclosed on the form, provided that the space provided on form H-25 for any of the information required by this section is not altered.
- (iv) Closing cost details. (A) Additional line numbers. Line numbers provided on form H-25 of appendix H to this part for the disclosure of the information required by paragraphs (f)(1) through (3) and (g)(1) through (4) of this section that are not used may be deleted and the deleted line numbers added to the space provided for any other of those paragraphs as necessary to accommodate the disclosure of additional items.
- (B) *Two pages*. To the extent that adding or deleting line numbers provided on form H-25 of appendix H to this part, as permitted by paragraph (t)(5)(iv)(A) of this section, does not accommodate an itemization of all information required to be disclosed by paragraphs (f) through (h) on one page, the information required to be disclosed by paragraphs (f) through (h) of this section may be disclosed on two pages, provided that the information required by

- paragraph (f) is disclosed on a page separate from the information required by paragraph (g). The information required by paragraph (g), if disclosed on a page separate from paragraph (f), shall be disclosed on the same page as the information required by paragraph (h).
- (v) Separation of consumer and seller information. The creditor or settlement agent preparing the form may use form H-25 of appendix H to this part for the disclosure provided to both the consumer and the seller, with the following modifications to separate the information of the consumer and seller, as necessary:
- (A) The information required to be disclosed by paragraphs (j) and (k) of this section may be disclosed on separate pages to the consumer and the seller, respectively, with the information required by the other paragraph left blank. The information disclosed to the consumer pursuant to paragraph (j) of this section must be disclosed on the same page as the information required by paragraph (i) of this section.
- (B) The information required to be disclosed by paragraphs (f) and (g) of this section with respect to costs paid by the consumer may be left blank on the disclosure provided to the seller.
- (C) The information required by paragraphs (a)(2), (a)(4)(iii), (a)(5), (b) through (d), (i), (l) through (p), (r) with respect to the creditor and mortgage broker, and (s)(2) of this section may be left blank on the disclosure provided to the seller.
- (vi) *Modified version of the form for a seller or third-party*. The information required by paragraphs (a)(2), (a)(4)(iii), (a)(5), (b) through (d), (f) and (g) with respect to costs paid by the consumer, (i), (j), (l) through (p), (q)(1), (r) with respect to the creditor and mortgage broker, and (s) of this section may be deleted from the form provided to the seller or a third-party, as illustrated by form H-25(I) of appendix H to this part.

- (vii) *Transaction without a seller*. The following modifications to form H-25 of appendix H to this part may be made for a transaction that does not involve a seller and for which the alternative tables are disclosed pursuant to paragraphs (d)(2) and (e) of this section, as illustrated by form H-25(J) of appendix H to this part:
- (A) The information required by paragraph (a)(4)(ii), and paragraphs (f), (g), and (h) of this section with respect to costs paid by the seller, may be deleted.
- (B) A table under the master heading "Closing Cost Details" required by paragraph (f) of this section may be added with the heading "Payoffs and Payments" that itemizes the amounts of payments made at closing to other parties from the credit extended to the consumer or funds provided by the consumer in connection with the transaction, including designees of the consumer; the payees and a description of the purpose of such disbursements under the subheading "To"; and the total amount of such payments labeled "Total Payoffs and Payments."
- (C) The tables required to be disclosed by paragraphs (j) and (k) of this section may be deleted.
- (viii) *Translation*. The form may be translated into languages other than English, and creditors may modify form H-25 of appendix H to this part to the extent that translation prevents the headings, labels, designations, and required disclosure items under this section from fitting in the space provided on form H-25.
- (ix) *Customary recitals and information*. An additional page may be attached to the form for the purpose of including customary recitals and information used locally in real estate settlements.
- 21. Section 1026.39 is amended by revising paragraphs (a)(2) and (d) and adding new paragraph (d)(5) to read as follows:

(d) *Content of required disclosures*. The disclosures required by this section shall identify the mortgage loan that was sold, assigned or otherwise transferred, and state the following, except that the information required by paragraph (d)(5) of this section shall be stated only for a mortgage loan that is a closed-end consumer credit transaction secured by a dwelling or real property other than a reverse mortgage transaction subject to § 1026.33 of this part:

* * * * *

- (5) Partial payment policy. Under the subheading "Partial Payment":
- (i) If periodic payments that are less than the full amount due are accepted, a statement that the covered person, using the term "lender," may accept partial payments and apply such payments to the consumer's loan;
- (ii) If periodic payments that are less than the full amount due are accepted but not applied to a consumer's loan until the consumer pays the remainder of the full amount due, a statement that the covered person, using the term "lender," may hold partial payments in a separate account until the consumer pays the remainder of the payment and then apply the full periodic payment to the consumer's loan;
 - (iii) If periodic payments that are less than the full amount due are not accepted, a

statement that the covered person, using the term "lender," does not accept any partial payments; and

(iv) A statement that, if the loan is sold, the new covered person, using the term "lender," may have a different policy.

CLOSING DISCLOSURE PAGE 3 OF 5 • LOAN ID # 123456789

Loan Disclosures Assumption If you sell or transfer this property to another person, your lender will allow, under certain conditions, this person to assume this loan on the original terms. will not allow assumption of this loan on the original terms. Demand Feature Your loan has a demand feature, which permits your lender to require early repayment of the loan. You should review your note for details. does not have a demand feature. Late Payment

If your payment is more than 15 days late, your lender will charge a late fee of 5% of the monthly principal and interest payment.

Negative Amortization (Increase in Loan Amount)

UII	dei your loan terms, you
	are scheduled to make monthly payments that do not pay all of
	the interest due that month. As a result, your loan amount will
	increase (negatively amortize), and your loan amount will likely
	become larger than your original loan amount. Increases in you
	loan amount lower the equity you have in this property.

- may have monthly payments that do not pay all of the interest due that month. If you do, your loan amount will increase (negatively amortize), and, as a result, your loan amount may become larger than your original loan amount. Increases in your loan amount lower the equity you have in this property.
- do not have a negative amortization feature.

Partial Payments

Your lender

- may accept payments that are less than the full amount due (partial payments) and apply them to your loan.
- may hold them in a separate account until you pay the rest of the payment, and then apply the full payment to your loan.
- ☐ does not accept any partial payments.

If this loan is sold, your new lender may have a different policy.

Security Interest

You are granting a security interest in 456 Somewhere Ave., Anytown, ST 12345

You may lose this property if you do not make your payments or satisfy other obligations for this loan.

Escrow Account

For now, your loan

will have an escrow account (also called an "impound" or "trust" account) to pay the property costs listed below. Without an escrow account, you would pay them directly, possibly in one or two large payments a year. Your lender may be liable for penalties and interest for failing to make a payment.

Escrow	22 2	8
Escrowed Property Costs over Year 1	\$2,473.56	Estimated total amount over year 1 for your escrowed property costs: Homeowner's Insurance Property Taxes

Initial Escrow Payment	\$412.25	A cushion for the escrow account you pay at closing. See Section G on page 2.
Monthly Escrow Payment	\$206.13	The amount included in your total monthly payment.

□ will not have an escrow account because □ you declined it □ your lender does not offer one. You must directly pay your property costs, such as taxes and homeowner's insurance. Contact your lender to ask if your loan can have an escrow account.

No Escrow	
Estimated Property Costs over Year 1	Estimated total amount over year 1. You must pay these costs directly, possibly in one or two large payments a year.
Escrow Waiver Fee	* *

In the future,

Your property costs may change and, as a result, your escrow payment may change. You may be able to cancel your escrow account, but if you do, you must pay your property costs directly. If you fail to pay your property taxes, your state or local government may (1) impose fines and penalties or (2) place a tax lien on this property. If you fail to pay any of your property costs, your lender may (1) add the amounts to your loan balance, (2) add an escrow account to your loan, or (3) require you to pay for property insurance that the lender buys on your behalf, which likely would cost more and provide fewer benefits than what you could buy on your own.

Loan Disclosures Assumption If you sell or transfer this property to another person, your lender will allow, under certain conditions, this person to assume this loan on the original terms. will not allow assumption of this loan on the original terms. **Demand Feature** Your loan has a demand feature, which permits your lender to require early repayment of the loan. You should review your note for details. I does not have a demand feature. **Late Payment** If your payment is more than 15 days late, your lender will charge a late fee of 5% of the monthly principal and interest payment. Negative Amortization (Increase in Loan Amount)

Under your loan terms, you

- are scheduled to make monthly payments that do not pay all of the interest due that month. As a result, your loan amount will increase (negatively amortize), and your loan amount will likely become larger than your original loan amount. Increases in your loan amount lower the equity you have in this property.
- may have monthly payments that do not pay all of the interest due that month. If you do, your loan amount will increase (negatively amortize), and, as a result, your loan amount may become larger than your original loan amount. Increases in your loan amount lower the equity you have in this property.
- do not have a negative amortization feature.

Partial Payments

Your lender

- II may accept payments that are less than the full amount due (partial payments) and apply them to your loan.
- may hold them in a separate account until you pay the rest of the payment, and then apply the full payment to your loan.
- does not accept any partial payments.

If this loan is sold, your new lender may have a different policy.

Security Interest

You are granting a security interest in 123 Anywhere Street, Anytown, ST 12345

You may lose this property if you do not make your payments or satisfy other obligations for this loan.

Escrow Account

For now, your loan

will have an escrow account (also called an "impound" or "trust" account) to pay the property costs listed below. Without an escrow account, you would pay them directly, possibly in one or two large payments a year. Your lender may be liable for penalties and interest for failing to make a payment.

Escrow				
Escrowed Property Costs over Year 1	\$2,473.56	Estimated total amount over year 1 for your escrowed property costs: Property Taxes, Homeowner's Insurance		
Non-Escrowed Property Costs over Year 1	\$1,800.00	Estimated total amount over year 1 for your non-escrowed property costs: HOA Dues You may have other property costs.		
Initial Escrow Payment	\$576.95			
Monthly Escrow Payment	\$206.13	The amount included in your total monthly payment.		

☐ will not have an escrow account because ☐ you declined it ☐ your lender does not offer one. You must directly pay your property costs, such as taxes and homeowner's insurance. Contact your lender to ask if your loan can have an escrow account.

No Escrow	
Estimated Property Costs over Year 1	Estimated total amount over year 1. You must pay these costs directly, possibly in one or two large payments a year.
Escrow Waiver Fee	* *

Your property costs may change and, as a result, your escrow pay-ment may change. You may be able to cancel your escrow account, but if you do, you must pay your property costs directly. If you fail to pay your property taxes, your state or local government may (1) impose fines and penalties or (2) place a tax lien on this property. If you fail to pay any of your property costs, your lender may (1) add the amounts to your loan balance, (2) add an escrow account to your loan, or (3) require you to pay for property insurance that the lender buys on your behalf, which likely would cost more and provide fewer benefits than what you could buy on your own.
